

All finalists will be required to complete the **Submission Release Form** and send with their video file to:  
REEL Science Contest  
c/o Bryan Duncan, Code 614  
NASA Goddard Space Flight Center  
Greenbelt, MD 20771

## Submission Release Form

### NASA's Reel Science Communications Challenge

Title of Submission: \_\_\_\_\_

Student's Name: \_\_\_\_\_

Name of School: \_\_\_\_\_ Grade: \_\_\_\_\_

School Address: \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_ Phone \_\_\_\_\_

I certify that the above submission, including video, audio text and illustrations, and any ancillary material were made by the student indicated and is an original work and were not copied from another work, photograph, illustration or website, or made by another. I also certify that my age is thirteen (13) or older as specified in the contest rules. I understand that the submission, including video, audio, text and illustrations, and any ancillary material will not be returned.

In consideration for participating in the "Reel Science Communications Challenge" contest, I hereby grant to the National Aeronautics and Space Administration (NASA) to right to use, reproduce, edit, prepare derivative works, publish, broadcast, distribute copies to the public, perform publicly, and display publicly the submission, including text illustrations and any ancillary material, and the right to use and license others to use the above submission in all media throughout the world in perpetuity. I have no objections to the use or inclusion of the Submission in any and all other manner and media, or to the use of the student's name, likeness or biographical material, school and grade/level of study for all purposes in conjunction therewith and for any incidental publicity. I further acknowledge that NASA is not obligated to use the submission. NASA may also permit third parties to exercise NASA's rights, including but not limited to the right to display or distribute the submission, including video, audio, text and illustrations, and any ancillary material, in a manner NASA deems appropriate. If any information or unoriginal work is included in the submission, it is the student's responsibility to obtain the appropriate permissions for use of such information/work as provided herein.

I represent that I have the right capacity an authority to enter into this agreement and that my performance and the rights I have granted in this agreement will not conflict with or violate any commitment or understanding I have with any other person or entity. I hereby warrant that the undersigned signature and associated printed name accurately identifies my person.
